The National Trust of Australia (ACT) supports the nomination of this house as prepared by Simon Wrigley, to the ACT Heritage Register.

The Trust has been concerned about the identification and recognition and mid-century early modernist houses in Canberra.

The Trust intends to assist in a study to research, identify those of outstanding design and prepare nominations as many are not well recognised and protected despite being by prominent architects, of innovative design and leading example of the period.

Yours faithfully

Eric J Martin, AM
